★ Success Story ★

When I broke my [★]tooth I was given several options, but I chose to have Dr. Sheldon do a dental implant. At 10:30 a.m. Dr. Sheldon pulled the broken tooth out, extracted some bone from my back jaw and performed the dental implant in 45 mins! I then went to my dentist and he put on a temporary crown at 3:00! I was hesitant about doing it all in 1 day but I went back to work teaching 19 Kindergartners the next day!! Everything went so smoothly and I would recommend it to anyone! Dr. Sheldon and his staff are friendly, efficient and professional!
