Dental Implants

New patients have not had the chance to experience what you have. With your help, they can feel more comfortable about beginning their periodontal program.

Have you had a memorable experience at Dr. Sheldon's office and want to share it with other patients? Here is your chance...Please take a few minutes, put your thoughts into words, and share your...

☆ Success Story ☆

Before my treatments [☆] I was skeptical about whether I really needed this procedure, not to mention the financial investment. Now that I can see and feel the completed project — it's exhilarating! Can't be more pleased with the final product. I have not only been attended to with the utmost care and professionalism, but my and all expectations have been more than fulfilled. To say the least everyone should be cared for as well.

Patient Name: Mary L. Ellingham
