★ Success Story ★

I had friends who had ★ dental implants - so I knew something about them - I could no longer hold a crown on my lower - Back - tooth - so I had one choice, since my chewing capacity was diminishing at age 60 - 62 -

Mr. Sheldon, whom I have great respect, for the care he has given me, asked if I thought about an implant - He said (He could do it.)

I had no problems at all with the procedure - I highly recommend Dental Implants -

I highly recommend Dr. Sheldon, for his ability, honesty and gentle care - also, his Staff,
