☆ Success Story ☆

I've been coming to Dr. Sheldon since 1983 and he has done everything possible that could be done to rebuild and get my mouth in shape.

I am glad he's younger than I am because I don't want him to retire. I have had repeated procedures done and Dr. Sheldon always follows up that evening by calling me. I find him and his staff very friendly ~~and~~ knowledgeable, professional and they make you feel very comfortable. I highly recommend Dr. Sheldon & his staff. ~~to~~ ~~to~~ to anyone.
