Jan. 2000

Having Had Headaches for over 2 yrs and going to a Chiropractor for that length of time with no relief I was referred to your office and diagnosed with TMD.

I started treatment and within two weeks my headaches went away + I have not had one for 4 months.

I want to thank Dr Sheldon + his wonderful Staff for the special Care + kindness I have received during my treatment

It is so nice not to have anymore headaches.

God Bless you all.
