"Thank you to Dr. Sheldon and all his staff for a positive experience getting my implants! Everyone is very special — professional, friendly, & caring! My favorite memory is Dr. Sheldon singing to me during my most trying times during the procedure. Wonderful voice. Completely takes you to a more peaceful place! My implants are great! I've had no problems with them so far. Some day when I'm rich again I'll do the top. Thanks! — to everyone.
