This was a remarkable [☆] experience -

My biggest fear was to have a lot of pain and swelling after 2 hrs of having my jaw bones shaved as part of a crown lengthening process. However, I experience very little pain & discomfort, and swelling only lasted 2 days. Thanks to the pre-operative instructions, and post-operative instructions, this surgery was 'a piece of cake'!

My thanks to Dr. Sheldon, and his very professional & friendly staff, for making me very comfortable, during my visits. I would highly recommend Dr. Sheldon to my friends.

Sincerely,
